TESTIMONIALS & FEEDBACK

WHAT OUR ATTENDEES ARE SAYING

Explore & Reconnect 2026 received overwhelmingly positive feedback from industry leaders, reinforcing its role as a highly efficient, well-organized, and strategically valuable event. Here's what some of our esteemed attendees had to say:

"This is our first time joining the event, and we made a significant commitment by attending with a six-person delegation, including our underwriting team. Despite the busy schedule, the event has been extremely efficient and productive. Having key industry representatives, clients, and regulators all present here makes every meeting far more valuable and impactful."

Müge Diren, Munich Re

"We are in the perfect place, surrounded by beautiful infrastructure and an excellent meeting atmosphere. The high-level presentations organized by the committee have been truly impressive. The sessions are highly engaging, and events like this are extremely important for the development of the market. We are already looking forward to next year."

Malgorzata Sroka – Picot, Oddysey Re

"I am truly enjoying the event. We had the opportunity to present our new earthquake model, and it has been a great pleasure to connect with insurers, reinsurers, and industry vendors all in one place. Thank you to the organizing team for this excellent experience — we look forward to attending the next edition."

Svetlana Stripajová AON

"The conference has been excellent, the venue is outstanding, and Antalya is a beautiful city. What makes this event especially valuable is the opportunity to meet all our clients, reinsurers, brokers, and key regional market players in one place. The sessions have been insightful and content-rich, and the overall format works extremely well. We truly believe this event will continue to grow, and we look forward to attending again in the coming years."

Marc Bükér, Scor Re

"It is a wonderful venue, and we are truly honored to be part of this event. The conference has been exceptionally well organized, featuring numerous meetings, insightful presentations, and distinguished panelists and speakers."

We had the opportunity to build valuable connections, exchange views, learn from one another, and explore future collaborations. The event has successfully met — and even exceeded — high-level expectations. We sincerely appreciate all the efforts of the organizing team and look forward to returning next year."

Stavros Dimopoulos, FUEDI

"I think this is an outstanding event. I truly enjoyed both the meetings and the presentations — it is a very strong combination of networking and high-quality content. The sessions were highly informative and professional, and I will return to Germany with many valuable insights. The atmosphere is relaxed yet professional, bringing together people of the same high caliber across the market. Turkish hospitality and organizational quality have made this event especially memorable, and I believe it has the potential to become one of the key conferences in the region."

Günter Rütz, Devk Re

"This is my first time attending the conference, and I have been very impressed by the breadth of coverage, the quality of the sessions, and the variety of panel and roundtable discussions. It has given me the opportunity to connect with professionals from the insurance, reinsurance, and brokerage community. I found the overall experience highly insightful and a very strong networking opportunity."

Ayşenur Bellamy, Payden & Rygel

These testimonials highlight Explore & Reconnect's ability to provide an unparalleled networking and business development experience. We are honored to have hosted such a distinguished group of industry professionals and look forward to an even bigger Explore & Reconnect 2027

TESTIMONIALS & FEEDBACK

WHAT OUR ATTENDEES ARE SAYING

Explore & Reconnect 2026 received overwhelmingly positive feedback from industry leaders, reinforcing its role as a highly efficient, well-organized, and strategically valuable event. Here's what some of our esteemed attendees had to say:

"The conference is going very well. We also attended last year, and it is great to see how much the event has grown this year. The atmosphere is incredibly busy and dynamic, with highly productive meetings and very well-organized sessions. It is especially impressive to see the increasing number of representatives attending not only from the Turkish market, but from across the wider region as well. Thank you for creating this opportunity — we hope to be here again next year."

Weebeng Seow, Descartes Underwriting

"This event creates a valuable opportunity for different market players — insurers, reinsurers, and service providers — to exchange ideas about the current state and future of the industry. The discussions have been highly engaging and insightful. From my perspective, the international viewpoint always brings fresh perspectives and valuable new dimensions when combined with the local market experience."

Matteo Carbone, IoT Insurance Observatory

"I am truly proud of this event, especially because we have been part of it since the very beginning. It is wonderful to see insurers, reinsurers, brokers, agencies, and asset management companies from different countries all coming together to help strengthen and develop the sector. Antalya provides a fantastic setting for these meetings, both with its atmosphere and hospitality. The conference has been extremely efficient for us, with a very dynamic meeting schedule and parallel sessions running successfully throughout the event. We are honored to be here and sincerely hope this success will continue to grow in the years ahead."

Neslihan Neciboğlu, Neova Sigorta

"The conference has been very interesting and productive for us, with valuable meetings and excellent industry input throughout the event. The sessions covered highly relevant topics, and the international speakers brought great energy and perspective to the discussions. I hope to see even broader market participation in the future, and I truly believe this conference will become a long-standing industry tradition."

Dario Schiller, URS & C Consulting

"The conference has been highly productive for me. It was extremely valuable to meet clients in one place, engage with other reinsurance companies, and exchange views on the current state of the industry. The panels were informative and insightful, and I am very pleased to be here. The event continues to grow every year, and I believe participation will increase even further in the future. We look forward to welcoming even more industry professionals in the coming editions."

Petek Beşiroğlu, VIG Re

"The conference has been very successful for us. We had the opportunity to meet valuable partners, connect with new brokers and reinsurers, and further support the development of our business in the region. The sessions have been highly informative and filled with useful insights. Thank you very much to the organizing team for this excellent experience."

Renata Gareeva, Alfa Invest Insurance Company

"The conference has been highly productive from both facultative and treaty perspectives. I believe these gatherings will continue to grow stronger and more impactful in the future. The sessions are especially valuable, as they allow us to refresh our knowledge while also gaining insight into new developments and emerging trends across the market."

Damla Kuru, Markel International
